

## We Have Some Exciting News to Share with You!

**We are excited to announce the launch of an exclusive online membership community about Schema Therapy. Membership will offer access to a variety of online trainings, a supervision group, interviews with leading experts and other resources.**

After many years of traveling the world to meet and train schema therapists, we decided to create a home base where we can interact with our friends and colleagues on a more regular basis via ZOOM. We both love the energy and learning that comes from our international schema therapy interactions. We realize that you are not all able to travel to the places where we offer training, and the two of us cannot cover the entire world, so, we wanted to find a vehicle to allow broader access for everyone as well as continued contact with those we have met around the globe... at an affordable price!

**Wendy Behary, LCSW.** With 25+ years professional experience and advanced level certifications, Wendy Behary is the founder and director of The Cognitive Therapy Center of New Jersey and The Schema Therapy Institutes of NJ-NYC-DC.

**Joan Farrell, Ph.D.** Joan is a clinical psychologist with 35 years of experience in training and psychotherapy practice. She is a certified Schema Therapy Trainer/Supervisor and co-directs the Schema Therapy Institute Midwest- Indianapolis.
